COVID-19 Patients Hospitalized Each Day in Mobile County Hospitals

Red bar indicates 1 or more hospitals in Mobile County did not report the number of hospitalized patients by 1:00 PM or did not submit the numbers at all that day for their facility. The indicator used above the chart (Currently Hospitalized) uses the value the hospital last submitted to get a more accurate number of currently hospitalized patients.

Data Source: Alabama Incident Management System
Updated Daily After 1 p.m.
Includes Patients Who Reside in Other Jurisdictions
